

Buy a Roland A-800PRO or A-500PRO Keyboard, get Z3TA+ 1.5 FREE

Attention UK customers: Now when you purchase either an A-500PRO or A-800PRO MIDI Controller from a participating retailer, you can get the legendary Z3TA+ 1.5 waveshaping synthesizer for no additional charge. If you're looking for a keyboard controller that you can use in the studio, on-stage, or anywhere you feel inspired, look no further than the A-PRO series. The A-500PRO and A-800PRO have the features and feel you need to get the most out of your music performances and productions. The Z3TA+ 1.5 waveshaping synthesizer adds legendary dance floor sounds to any VSTi-compatible DAW (Windows only). Used on countless tracks over the past decade, Z3TA+'s distinctive sound has been a staple of electronic artists the world over.
